5. President's Report: Amy Hornby

- I don't have much. It appears Arvidson is doing a good job. The roads are not in great shape but unfortunately with the weather, we are doing the best we can.

6. Vice President's Report: Beth Wusthoff

- I have had a couple requests for residents to be added to the boat dock wait list. Once I have added them, the list will be placed on the website. The website address can also be found on the sandwich boards which is Fourlakesassociation.com.

Interjection from Rob Cavill- About this website? Four Lakes? I have read the comments on this website by you (Alisa Budesheim) why can't you act like a lady? I read everything that all of you guys post. I see everything. I cannot believe you are posting this type of stuff. Aren't you a Sokol member? Alisa Budesheim- Mr. Cavill- the information you obtained is from a private f.b. page that you must be invited to be a part of and not the official Fourlakesassociation.com. You are not part of that face book page. If the information I post on a private, invite only site, that was given to you by a mysterious third party, offends you, don't read it. Amy Hornby-Enough. Rob Cavill- still yelling about how offensive all the information that he received from a personal f.b. page was and that he knows everything we say, runs out door angrily.

6. Treasurers Report: Given by Amy Hornby in Shantel Bussey's absence.

- One check went out for plowing to Arvidson and (in auditable) 2015, we are getting there it is just taking a little longer.

7. Secretary's report: Alisa Budesheim

- None.

8. Committee Reports and Communications

- Dock Committee: Amy Hornby- Beth, I know you responded to this and you said it looked good. They really wanted to get another meeting with this draft, I told Randy we will review it and give it back to him before they meet again.
 - Road Committee: Bill Munch- I have not heard back from K.B. Amy Hornby- I just want to make sure we don't ask for \$350.00 for the special assessment and find out it is going to be more. Discussion concerning new build at the end of Cherry Lane regarding owners and builder.
 - Communications: No communications.
10. Approval of the Agenda
- Motion to Approve Agenda-Amy Hornby, Alisa Budesheim, second. Unanimous
11. Public Comment (AGENDA RELATED ITEMS ONLY)
- None
12. Unfinished Business
- Garbage Contract: Alisa Budesheim- Barry has sent us over a proposal. There is a slight increase from last year, but I still feel it is the best deal when you couple in the bag service they offer. Discussions regarding how much individuals were paying, contact person and continual problems with over charging.
 - Late Notices: Amy Hornby- Shantel is working on getting out late notices.
 - Boat List: Amy Hornby- From here on out, when someone requests to be added to the boat dock list, it must be done in writing or via e-mail. We cannot have members approaching us out in the neighborhood or at parties and asking us to be placed on the boat dock list. We all have other things on our minds and things can get missed. The same goes for dues payments. We were clear that they should be mailed in our last correspondence.
13. New Business
- Date for special meeting-Alisa to secure with Janna.
14. Public Comments
- Crystal Keller- inquired about cameras at the beach. Beth Wustoff informed her that nothing more has been done because of snow and wiring issues.
 - Kent Lecureux- inquired about boat dock and new garbage prices.
 - Amy Hornby- I make a motion to adjourn this meeting at 7:06p.m. All in Favor?? Beth Wustoff, I second that. Unanimous.
 - Meeting adjourned. 7:06p.m.
